CLASSICAL  
TOUCH

## **A CLASSICAL TOUCH**

Following the success of our prestigious 65mm Classical Signature Collection, we have chosen to offer some features from this Collection on many of our 47mm Advent poles.

This gives you the opportunity to offer a more opulent look on a smaller scale, whilst still making a classical statement.

These features include:

**Classical Gold and Silver Metal Leaf**

**Classical Brackets**

**Classical Highlights**

In addition to this, the Classical Brackets may also be specified in many of the other finishes from our Advent Collections.

A number of examples are shown in the following pages, but if you have any queries, please contact us directly or visit our website.
